Shipment Contents

This shipment contains Spring 2020 Utah Aspire Plus Accommodated Test Materials Kits and return materials ordered for your school. Each kit, standard print, braille, large print, and human reader companion, includes secure test materials that must be returned to Pearson. If you received a question sampler kit you do not need to return those materials to Pearson.

Materials Receipt

Upon arrival, please ensure that secure test materials are appropriately handled and stored at your school. Verify that the security barcode numbers on your secure test materials match the barcode numbers on your packing list. If discrepancies are found, immediately contact the Pearson Help Desk.

Returning Materials After Testing

All secure paper test forms should be replaced in one of the original shipping cartons in which the materials were received by the school. Once all materials are packaged, close all cartons with secure sealing tape. Apply the Pearson pumpkin-colored inbound label that was included in your materials kit. Use a black marker to number each box (i.e., “1 of 4”, “2 of 4,” etc.)

Pearson has provided prepaid UPS shipping label(s) for use in returning the testing materials. Place a UPS shipping label over the original shipping label on each carton, covering the original label completely. Call UPS at 1-800-823-7459 prior to the final day for pickup, May 29, 2020.

Full instructions for returning secure materials can be found in the “Collecting, Packing, and Returning Test Materials” section in the Test Administrator Manual.
